

**WATER AND
POWER**

HOME IMPROVEMENT PROGRAM

**Improve the Comfort of Your Home
With No Out-of-Pocket Cost**

Join the 9,000 Burbank residents that have used the Home Improvement Program to improve the energy and water efficiency of their homes.

Call **(747) 277-1599** to schedule
an appointment!

How Does the Program Work?

BWP's Home Improvement Program offers all Burbank residents the opportunity to elevate the comfort and efficiency of their home through energy and water saving improvements. In addition, the program will introduce new energy and water services to Burbank residents and multi-family property owners.

- 1** Call **(747) 277-1599** to set up an appointment that is convenient with your schedule.
- 2** Meet with our trained Specialist who will recommend improvements for your property.
- 3** The specialist installs water and energy saving products in your property at no cost.
- 4** All improvements made to your property are under our licensed contractor's warranty.

No-Cost Products & Services

Services offered are 100% paid for by BWP, the Metropolitan Water District of Southern California, and the Southern California Gas Company. Some of the services that your property may be eligible for include:

- Weatherization Services*
- Ceiling Fans - **New!**
- Duct Sealing
- Energy-Saving Light Bulbs
- High Efficiency Toilet(s)**
- Power Strips - **New!**
- Sprinkler System Check and Sprinkler Controller Programming
- Thermostatic Showerhead Control Valve
- Water Efficient Showerheads and Faucet Aerators
- Water Pipe Insulation

* Single family homes with working central air conditioning & heating will be assessed for additional upgrades.

** Single family homes with toilets over 1.6 gallons per flush.
